SERVICEMAN'S CORNER:

LETTERS FROM OUR SERVICEMEN:

Somewhere in Japan-Apr.2
Dear Reeces: I got all of my papers up to date. Received the last two today, and enjoyed reading them very much, as they mean more now than ever. I shipped out on the 15th of March, and arrived here on March 31st. The land is mountainous, and I've had lots of fun talking to the natives. We crossed the 180th Meridian on my birthday--March 23rd. Then we lost the 24th of March somewhere---which happened to be a Saturday, so we had a two day holiday, Good Friday and Easter, right next to each other.

By the time you get this, I will be in Korea, as we leave tomorrow. Would you please send me Howard Green's address, as I may run into him. This is a small world, you know! Thanks again for the Byline--
as ever, DON (Mickey) HUNTER

Somewhere in Korea---
Dear Reeces: Just a few lines to let you know that I am getting the Byline, and enjoy it page by page, and word for word.

Could you let me know what part of Korea Howard is in? I may be able to see him if he is somewhere near here. How did the Brisbane Cross burn for Easter??

as ever, your friend
JAMES RICE

Cheyenne, Wyoming
Hello, Reeces: Well, here I am--finally getting around to writing that long lost letter. In case you don't know who this is--it's HERB! I'm here in Cheyenne, going to school, and have been here nine weeks. Have one more week to go, and then back to North Carolina, where I'm stationed.

They are teaching me how to operate everything the Airforce has, except airplanes! It's going to help me make a living when I return home, though. The weather here has been plenty cold ever since I got here, but it's nice today--actually hot! Can't figure it out. This afternoon I have to go out and operate a 20-ton crane, and I'm going to enjoy that! So far, I've driven snow-plows, tractors, all kinds of trucks and trailers, different types of cranes, and so forth.

I have been receiving your paper regularly, as they forward it to me from No. Carolina. Well, time is getting short so I'll close for now. Hope Warren is making good at the gas station, and that you are feeling fine--your everlasting friend,

HERB D. CAGNIER (Still a PFC!)

LETTERS NOTE:--He also received a nice long letter from JOHN (The mailman) CLANCY--who is cruising off the coast of Korea in his yacht, the U.S.S. Agerholm! Join the Navy, and see the world, eh, Clancy????

THE WONDERFUL PENNY--by Elizabeth Alice Theis--CHAPTER VI--

"Celebrate?" Bunny's eyes growing big in wonder. "You mean.....the Christmas Stores?"

"Better than that", the Penny Man said, "In a store I am of no use to you--but I can take you to Fairyland." At this remark the little mortal was a trifle crestfallen. "But Granny once said fairies aren't real....."

"Nothing is real to those without imagination. Come! Give me your hand", but as Bunny took the outstretched hand he suddenly seemed to diminish in size until he was no taller than his strange companion. A little frightened, he cried aloud, "Why, I do believe I'm shrinking!"

"Now you can travel faster," chuckled the Penny Man, dancing over to the window, his little lame leg as lively as it's mate. "Come, let's be on our way!"

A moonlight ray was stretched across the floor. The Penny Man instantly began climbing up, with Bunny quickly following. At last they reached the sky. The stars were twinkling brightly, though in the moonlight the smaller ones were scarcely visible. The earth boy laughed merrily--"I always did love the stars. Are we to go back now?"

"Oh, no" chuckled the copper-colored dwarf. "Our journey has only begun. This is the shortcut to Fairyland!"--sliding down another ray and landing with a loud thump on a wooded knoll. He nearly lost his conical cap in the flurry.

The excited youngster quickly followed. "Look out, here I come!" his plaid shawl waving in the breeze. The next moment he, too, landed with a resounding thump to find himself sprawling in a bed of cool violets. "What a lovely place--where are we?"

"Fairyland!"--but even as the Penny Man spoke, a host of woodland gnomes crept forth from beneath the shelter of mushrooms and violet petals, and they were dressed in russet brown or forest green, matching the color of earth and trees. But the King of the Woodland Gnomes was all clothed in a suit of violet-hued velvet. On his head shone a crown of gold, and pointed tips ended in golden violets. The Gnome King cried haughtily--"Halt! What means this disturbance?"

As a guard rushed forward to seize them the Penny Man bowed low with a grand flourish, at the same time sweeping his cap from his head in a gesture of homage, it's bell tinkling loudly. "We are but two humble travelers, O Mighty Sire!"

"Whence come you?"

"From the Land of Mortals. The Fairy Queen, who is my godmother, sponsored my journey to that distant land to investigate matters."--(continued in two weeks)

RUNAWAY SF GIRLS GIVE UP HERE:

Three 13 year old SF girls, tired and hungry after spending two nights in the hills back of Brisbane, turned themselves into police authorities last week.

The three had been missing since Monday of last week, after attending classes at Aptos Junior High School. They told Fred Schmidt, Sr., Police Commissioner, that they slept in a wrecked car in the hills Monday night, hitch-hiked to Russian River where they stayed until Thursday of last week in a vacant cabin, and then on Friday returned to the hills back of Brisbane, where they broke into an abandoned shack.

Their meager funds of 88 cents had dwindled to one cent. Schmidt said that two of the girls were suffering from bad cases of poison oak. All were neatly dressed, but had eaten nothing for four days except malted milk tablets and canned food.

The girls gave no reason for running away except that "we wanted to see the world". They were taken to the San Mateo County Juvenile home at Hillcrest.

Mrs. Williamson is the daughter of Mrs. Wright, of 432 Sierra Point Road, who is now extremely happy over her twelfth grandchild. Little Patricia Ann weighed in at 7 pounds, 14 ounces. This makes our Sports Reporter, Ron Wright, a nuncle again, doesn't it?

LOCAL COUPLE WED IN BEAUTIFUL CEREMONY:

Miss Joy Marie Fogleman became the bride of Mr. George Moore at a beautiful ceremony at the First Baptist Church on Saturday evening, March 31st, with Reverend Beall officiating. The bride was dressed in a shimmering white satin gown trimmed in lace, with a finger-tip length veil of marquisette, topped by a pearl beaded crown. She carried a bouquet of lilies-of-the-valley. The bride was attended by her sisters, Mrs. Gloria Mirza as Matron of Honor, and Betty Fogleman as Bridesmaid. The bride was given in marriage by her brother, Marvin Fogleman. Brother Bob Fogleman acted as Usher, while Bill Roberts of San Francisco acted as Best Man. Miss Judy Woodard sang "Because" and "Always", with Mrs. Louis Duncan accompanying on the piano. The bride's attendants wore identical blue formals and white sandals. They carried bouquets of yellow daffodils, lavender, iris, and peach-colored roses. Their tiaras were of matching flowers.

Joy's "going-away" suit was of golden gabardine, with brown accessories.

A reception immediately followed the ceremony, and was attended by more than 100 friends and relatives. The reception was held at the home of the bride's mother at 482 Mendocino Street.

After the bridal bouquet was thrown the couple left for an undisclosed honeymoon, somewhere down the Peninsula. Everyone is wishing them a long and happy married life.

YOUTH WEEK, APRIL 8 to 14:

The Bethel-Baptist Church of Brisbane takes great pleasure in presenting her youth in the places of leadership in the church during Youth Week, April 8 to 14.

Plans are for young people to take overall activities of the church life, including the position of pastor. This Youth movement among Southern Baptist Churches is an endeavor to not only share the responsibilities of church administration with youth, but also to impress upon the minds and hearts of adult members the great need for enlisting young people. Serving as Youth Pastor will be John E. Wilson of Brisbane. He will be in charge of the service during the morning hour and the various activities of the pastor during the entire week. He will be assisted by William H Davis as Assoc. Pastor. Others to appear in positions of responsibility will be Frank Druhan, Norma Wilson, Gloria Druhan, Shirley McCollum, and Ronnie Culver.

Special emphasis will be given to young people during the entire week of church activities, Reverend Robert G. Wilson, pastor, reports.

LOCAL GIRL HURT IN ACCIDENT:

Miss Louise Terry, daughter of fire-chief Lou Terry, was injured last Friday while returning from Palo Alto. The car in front of Louise's new Ford stopped, Louise stopped, the car directly behind her stopped---but the car behind that did not. Since Louise's car was in the middle, she says she no longer has a new Ford automobile, she now has a new Ford accordion! Louise suffered a back and neck injury in the accident, and will not be able to return to her job of driving the local bus for at least two weeks.

RETURN FROM TIA JUANA:

Fred and Shirley Laing, of Laing's Fountain, have returned from a week-long pleasant trip to many points south of here. They started out last Sunday, and spent a few days with Mrs. Henry Hesse in Glendale. Mrs. Hesse is Mr. Laing's sister. While in the southern California city, they visited several points of interest, such as Hollywood, Los Angeles, etc. Then they went on as far south as Tia Juana, Mexico, before returning to prosaic Brisbane. P.S. They spent ALL of it! (their vacation money, we mean!)

THIEVES STEAL POLICE COMMISSIONER'S CAR:

According to the San Francisco News, someone stole the red Dodge sedan belonging to Police Commissioner V.V. Gilman on April 4th. A full report has not been turned into this paper, so we do not know if the car has been recovered, or the culprits apprehended. But just in case the thieves hadn't noticed--(according to the News)--they should look at the license plate which says "POLICE COMMISSIONER OF BRIDGE"

Arthur V. Germaine, of 626 Sierra Point Road, has returned from his train trip to Rochester Minnesota. He left on March 27th, and returned on April 3rd--glad to be back where it is sunny and warm again. Mr. Germaine evidently did not like the over abundance of snow back there!

NEWS FROM JEFFERSON UNION HIGH SCHOOL:

The growth of the community has caught up with the Jefferson Union High School. This was pointed out by actions of the Board of Trustees at a special meeting held on Friday, April 6th. A bond issue of one million three hundred thousand dollars is to be submitted to the people on May 18th. The purposes included in the bond issue will be: (1) the purchase of sites. (2) the erection of a second high school near Skyline Boulevard. (3) the erection of a "multiple-purpose" building on the present campus. This building primarily will be the cafeteria. (4) Equipment for the new school.

The board has selected one site just north of Sharp Park on the coast highway. This site will be held until needed. The rapid increase of population on the coast indicates that a high school will be needed there. The site chosen is one of the few remaining pieces of ground large enough for a high school, and properly located, to be found on the coast. The new school is to serve Westlake, Broadmoor, Garden Village, the future Deolger development, and others which undoubtedly will build, will be located near Skyline Boulevard and either north or south of Pedro Road. Negotiations are now under way for this site. The present school can only serve about 900 students properly. By 1953, "we will have approximately 1400 students" stated Pete Markovich, chairman of the Board. Jefferson Union High School Dist. includes Brisbane, Bayshore, Daly City, Colma, Broadmoor, Garden Village, Westlake, Sharp Park, Rockaway Beach and Pedro Valley.

Members of the Board of Trustees are; Peter Markovich, chairman, Mrs. Anna Eason, Mrs. Pearl Jones, clerk, Mrs. Mildred McGeein, and T.J. Callan, Sr.

SOCIAL SECURITY RULE CHANGED:

It is not necessary to be wholly or permanently retired to get retirement payments under the Old-Age and Survivors Ins. system, according to E. J. Foley, Mgr. of San Mateo Social Security office. The numbers of people coming into his office confused on this point prompted him to make this explanation. "Actually" he pointed out, "the new Social Security law makes it possible for insured people 65 and over to collect retirement benefits while still earning up to \$50 per month on covered jobs. The old limit of \$14.99 was changed on last Sept. 1st. The \$50 limit does not apply to people age 75 or over."

WHAT'S THE SCORE????--by Ron Wright:

The Jeff High Varsity won over Lincoln of San Jose by 9 to 2. Altho' they're off to a good start in the P.A.L. league race, the question is--will they be able to keep up the pace? Last year they lost to Palo Alto and South S.F., but still went on to win the P.A.L. Championship. Altho' Jeff's hopes are high, experts say that they haven't got a chance this year.

Altho' the Fresh-Soph haven't lost a game in 13 encounters, Coach Lair doesn't think they can keep it up. He says they haven't been playing "heads-up" ball, and I agree. Thursday, April 5th, the Papooses nosed out Sequoia to be on the winning end of a 6 to 5 score. "Bonehead" plays helped Sequoia's five tallies cross home plate. Don Delbon pitched one of his hardest games that day and after 5 hits in 3 innings, he put the Sequoia team to a standstill. He also had a good day at the plate, collecting 3 for 4.

The Jeff Fresh-Soph again came out on the long end of a 5 to 1 score while playing Balboa. The Fresh-Soph were playing their old game of ball, and Coach Lair was well pleased with the performance! So long for now--see you in two weeks!
